## 2009 Connecticut Water Rate Survey

Tighe & Bond is pleased to publish our 2009 Water Rate Survey for water suppliers in Connecticut. Our survey is limited to systems serving a population of 500 or greater. The survey summarizes information from written survey responses, telephone surveys, the CT Department of Public Utility Control (DPUC) website, and websites of water suppliers.

About 32% of the drinking water suppliers responding to our survey use groundwater as their primary water source, while 46% reported surface water as the primary source, and 22% reportedly use both.

A variety of water rate structures are used in Connecticut. Based on the written survey results, 69% of water suppliers use a flat or uniform rate structure; 25% use a descending rate structure; and only 6% an ascending rate structure. To allow for a comparative analysis, we have calculated the "typical" annual homeowner's cost assuming consumption of 96 hundred cubic feet (72,000 gallons) per year. Based on the information included in this survey, typical 2009 annual water costs in Connecticut ranged from a low of \$146 per household to a high of \$590. The 2009 average was \$355 per household, representing a 7% increase over the 2007 average. The majority of respondents use a quarterly billing cycle (79%). Thirteen percent use a biannual billing cycle and the remaining 8% use a monthly cycle.

Tighe & Bond would like to thank all of the water suppliers for their participation in this survey. Comparisons of water rate structures and resulting typical homeowner's costs can be difficult given the wide variety of user charge methods in use. If we have incorrectly interpreted information for any water supply system please let us know and we will make appropriate corrections. Questions, comments or suggestions are certainly welcome. Please contact Mary Beth Morris, P.E. at (413) 572-3247 for further information.

Tighe & Bond has been providing consulting engineering services to government and industry for decades. An adequate, good quality drinking water supply is essential for every community. Tighe & Bond provides a wide range of water resources services, from identifying needs and evaluating supplies to engineering new sources, treatment facilities and storage and distribution systems. Tighe & Bond also provides expertise in wastewater and residuals management, civil engineering, GIS and solid and hazardous waste management.

### Aquarion Water Company of CT - Eastern Division

Annual Cost	Water Rate	Billing Cycle	Primary Water Source Type	Separate Business Rate	Seasonal Rate	Low Income Discounts	Population Served	Last Rate Change

Notes: Minimum charge: \$47.77 per billing (includes 10,568 gals.) Usage rate: \$3.789/1000 gals. - 10,568-36,988 gals.; \$3.076/1000 gals. - 36,988+ gals. Different rates apply outside the district.

### Winchester, Town of

Annual Cost	Water Rate	Billing Cycle	Primary Water Source Type	Separate Business Rate	Seasonal Rate	Low Income Discounts	Population Served	Last Rate Change
\$237	Descending	Quarterly	Groundwater	N	N	N	11,000	07/01/99

Notes: Usage rate: \$2.47/HCF up to 20,000 HCF; \$2.25 over 20,000 HCF.

### Windham, Town of (inside town)

Annual Cost	Water Rate	Billing Cycle	Primary Water Source Type	Separate Business Rate	Seasonal Rate	Low Income Discounts	Population Served	Last Rate Change
\$296	\$2.12/HCF	Monthly or Quarterly	Surface Water	N	N	N	23,100	07/01/07

Notes: Service charge for 5/8-inch meter is \$23.16 per quarterly billing.

### Windham, Town of (outside town)

Annual Cost	Water Rate	Billing Cycle	Primary Water Source Type	Separate Business Rate	Seasonal Rate	Low Income Discounts	Population Served	Last Rate Change
\$370	\$2.65/HCF	Monthly or Quarterly	Surface Water	N	N	N	1,900	07/01/07

Notes: Service charge for 5/8-inch meter is \$28.94 per quarterly billing.

## Footnotes:

1. Typical Annual Homeowner's Cost was determined assuming annual household consumption of 96 HCF = 72,000 gals per the CT DPUC standard and includes any applicable service charges.
2. HCF or CCF is hundred cubic feet.
3. NR = No Response

2/23/2010 ADDENDUM:

Town provided information after survey was published.
